

08 Feb 05: Welcome

Outlaws are back from Iraq! Today's Outlaws, B Troop, 1/158 Aviation Regiment, recently returned to Ft. Hood, Texas from their tour of duty in Iraq, and many VLOA members have indicated a desire to journey to Ft Hood to express their personal thanks and appreciation to the soldiers of that unit for their dedicated service and sacrifice to Our Nation. Captain Sean Huggins, who commanded B Troop during their deployment and service in Iraq, is scheduled for a change of command on April 8, 2005. After talking with CPT Huggins, this time period appears appropriate and convenient for any VLOA members who may wish to visit B Troop. During our visit, a presentation of a plaque from the VLOA will be made to the soldiers of B Troop. For complete information click [here](#) and keep reading ...

Our Treasurer, Chuck Wren, has provided an updated roster of paid members. Check the Membership page to see who's paid, and by their conspicuous absence, who's not.

There is the beginning of a new collection in the Gallery section. Collection Three belongs to Bob Koonce, CE for the Roadrunners. While there are only two images up right now, watch this collection grow with Bob's cartoons and more.
